 BOTTOM: BRUSH DOT, BRUSH DOT, MINI BASKETWEAVE

MADE IN USA

Over ten years ago, New York designer Sandy Chilewich introduced her first woven textiles into the international design community. Each year her collection grows through her tireless experimentation with manufacturing techniques and her passion for the intrinsic beauty and functionality of the material.

Now producing a growing range of products utilizing these innovative textiles, Chilewich has unquestionably redefined how the world dresses its tables at home and in the restaurants we visit.

These often imitated but never replicated products are recognized and revered internationally for their modern design, ease of care and durability. Made almost entirely in the USA, Chilewich products are seen in better stores and in the finest restaurants in the world.

Caption:
Please refer to our line sheets for specific information regarding ordering, pricing and delivery. Made in USA.

Chilewich prides itself on cutting-edge design. We specialize in the manufacture of woven vinyl products for both residential and commercial use. We use vinyl because it is extremely durable, easy to maintain and provides us with endless design possibilities.

Unlike many other tabletop and flooring products, Chilewich textiles can be easily washed with just water and bio-degradable detergents, helping the user reduce energy and laundering costs while maintaining a sophisticated and modern aesthetic.

Our woven vinyl products, including tablemats, also contain Microban® antimicrobial protection. This is particularly beneficial for the home and hospitality markets.

Microban® works continuously for the lifetime of the product to inhibit the growth of stain and odor-causing bacteria, mold and mildew. Chilewich fabrics are covered by the GreenGuard® program certified by the GREENGUARD Environmental Institute, which protects human health and quality of life through the reduction of chemical exposure and improved indoor air quality.

CUSTOM SIZE FLOORMATS

Custom size floormats available in Basketweave, Mini Basketweave, Bamboo, Rib Weave, Kono and Bouclé. Please contact your sales rep for information and lead-time.

CARE INSTRUCTIONS

Tablemats Simply wipe clean with soap, water and sponge. Air dry. Scrub stubborn stains with a bleach based cleanser and rinse. Do not iron. Machine wash not recommended. More delicate maintenance may be required for Metallic Lace and Tuxedo Stripe.

Napkins Machine wash warm (40°C or 100°F). Non-chlorine bleach only. Dry flat. Do not tumble dry. Warm iron (110°C or 230°F). Ironing should be done on slightly damp napkins for best results.

Floormats and Pet Mats Best suited on dry surfaces. Vacuum or mop face of mat to clean. Scrub spill or stain with medium scrub brush and detergent solution to remove. Air dry.

Indoor/Outdoor Mats Vacuum, shake out or hose off with water to clean. Hang to dry.

Ray™Tray Machine wash cool. Drip dry.
